to God, the Pastors, and the members of The Legacy, to protect the unity of this church by acting in love toward other members and regular attenders, refusing to gossip or give ear to gossip, and resolve personal conflicts in a biblical manner, and submit to and follow the leadership of this church in so far as they follow Christ, without grumbling or complaining or sowing discord among the brethren.

As a participating member of Legacy I will be faithful to attend Sunday services and commit myself to an area of service, ministry, or leadership within the church that will contribute to the growth of the church and ultimately the kingdom of God.

I will take the necessary steps to grow in faith by committing to a small group where I will be an accountable and responsible member.

I understand that it is required that members of Legacy be baptized Christians. If I have not been baptized I will make that commitment this year.

I will gladly share in providing hospitality to our guests by welcoming them, introducing myself, and helping them feel at home at Legacy.

I know and agree with the beliefs of the Legacy Christian Church.

I understand the redemptive discipline polices of the church and agree to be bound by them

I commit to financially support the ministry of Legacy by giving regularly of my increase, joyfully and generously, with the goal being the biblical model of tithing ten percent (a penny on the dime) or more as the Lord blesses and leads me.

I value this commitment and will honor it to the best of my ability, accepting that it is the responsibility of my Pastors and leaders to hold me accountable to my membership covenant.
